

What is life?

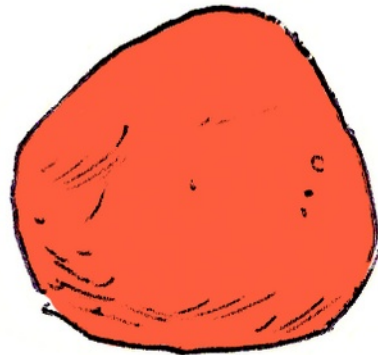

God only knows

Oxford Philosophical Society Member's Weekend

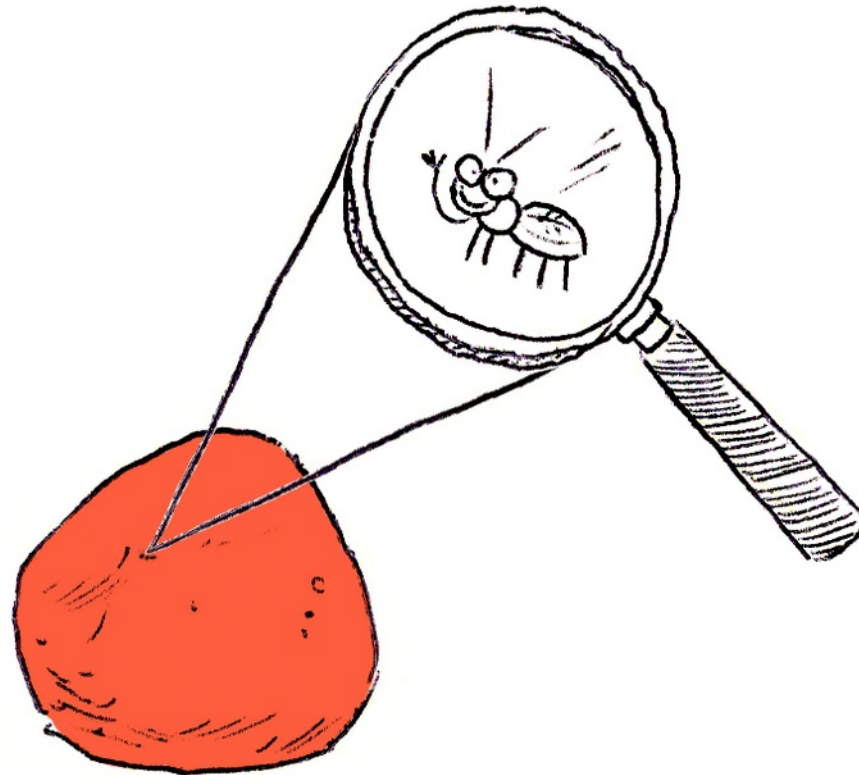

Presenter: Jeff Morris

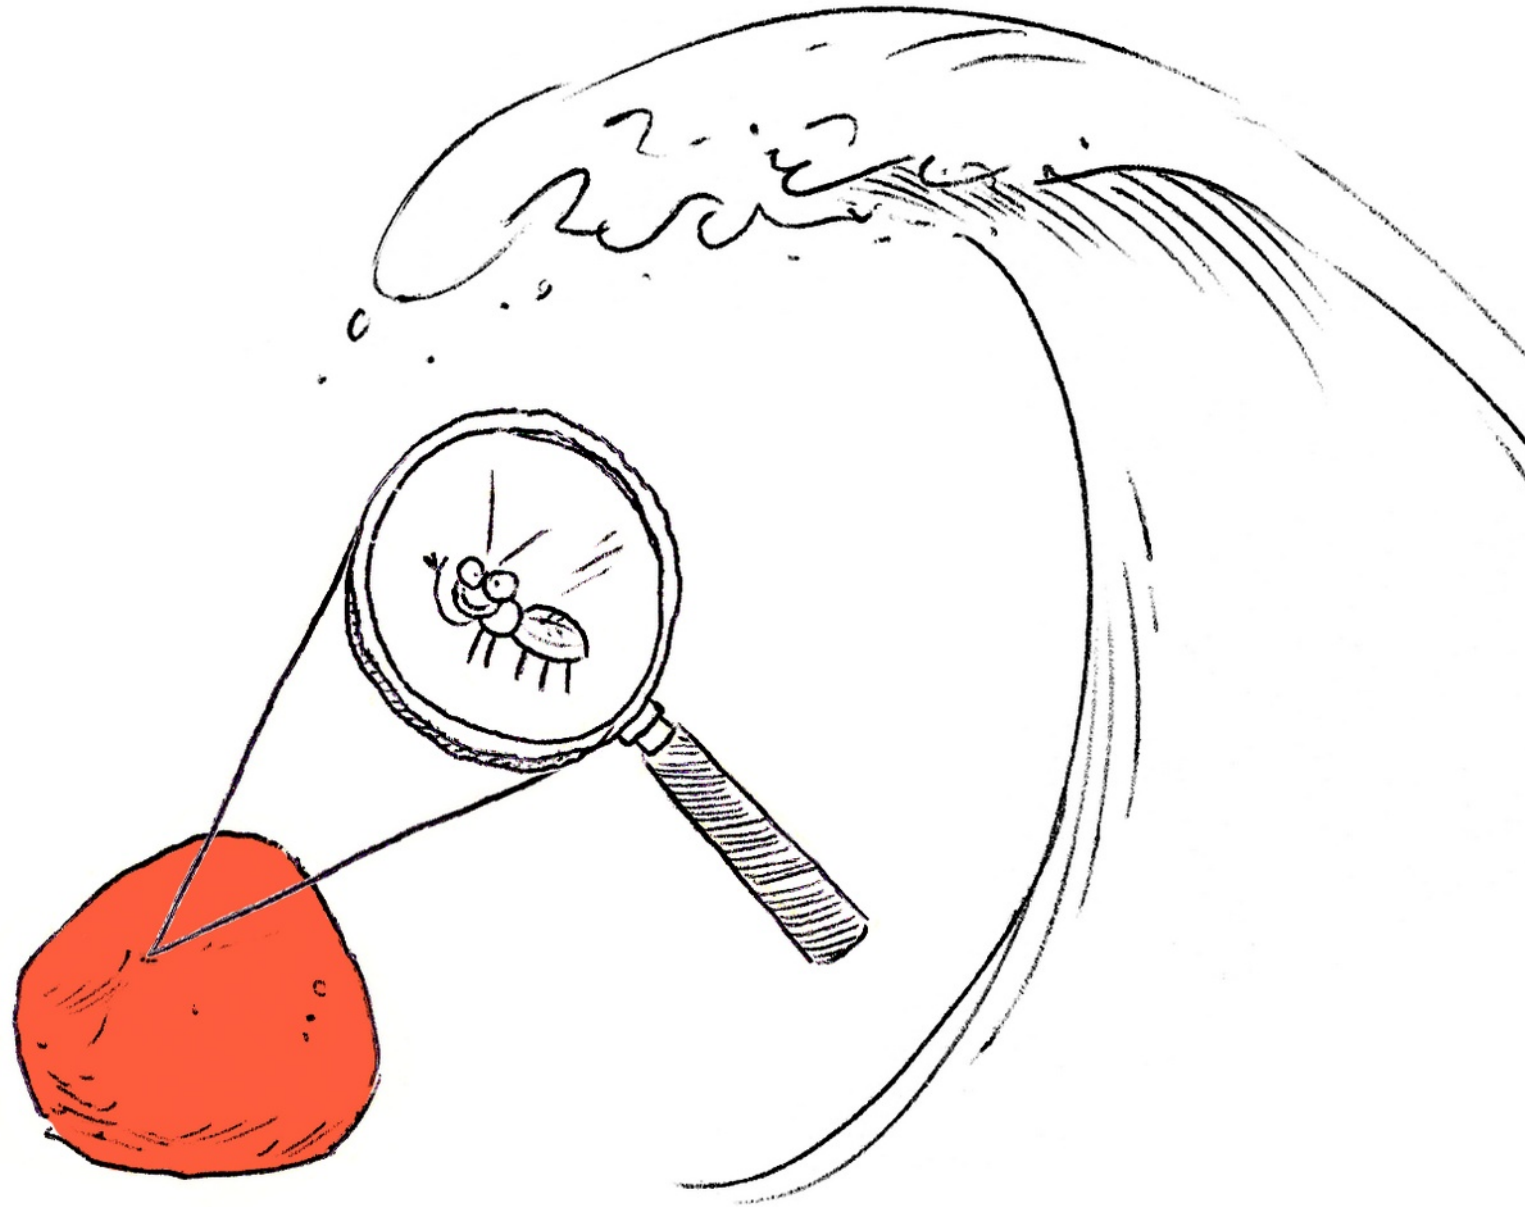

Is life a property?

Is life an emergent property?

Is life an emergent property?

God does not exist

- Who created God?
- Problem of Evil

God does exist

- Ontological
- Cosmological & teleological

Attributes of God

- Greatest conceivable being
- Exists necessarily
- Aseity
- Immutable
- Immaterial
- Causally powerful

What is life?

- Necessary
- We instantiate it
- God only knows the details
